

8th Abs Validation Workshop

WEDNESDAY 9th of SEPTEMBER 2026

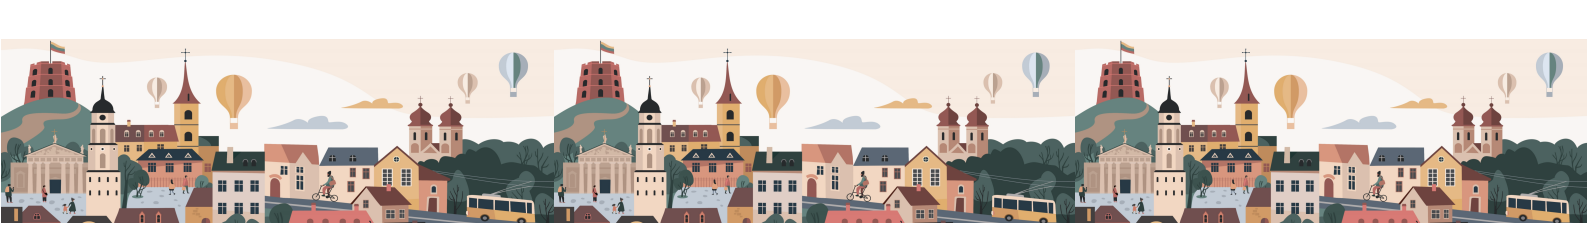

Morning session

- 9:30 **Giovanna Roncador**
Monoclonal Antibodies Unit, CNIO, Madrid, Spain
Opening introduction
- 9:40 **Friedrich Koch-Nolte**
Immunology and Molecular Biology, Institute of Immunology, Hamburg, Germany
Basic introduction to antibodies
- 10:00 **Pablo Engel**
Faculty of Medicine and Medical Sciences, University of Barcelona, Spain
Generation and engineering of recombinant antibodies
- 10:20 **Alicia Chenoweth**
Translational Cancer Immunology and Immunotherapy, King's College, UK
How to approach an antibody project
- 10:40 **Giovanna Roncador**
Monoclonal Antibodies Unit, CNIO, Madrid, Spain
Principles of antibody validation

Coffee Break (11:00-11:30)

- 11:30 **Berislav Lisnić**
University of Rijeka | School of Medicine, Rijeka, Croatia
Reproducibility and dissemination of data
- 11:50 Sponsor talk:
Cell Signalling Technology
Title to be confirmed
- 12:10 Sponsor talk: **Vikram Devgan**
Bio-Techne
Raising the Standard in Antibody Validation: Challenges, Reproducibility, and Emerging Approaches for Tissue-Based Applications
- 12:20 Sponsor talk:
Abcam
Title to be confirmed

Lunch (12:30-14:00)

Afternoon session

14:00 Interactive Session "Meet the Experts" (75 minutes each session)
Moderator/Expert: **Giovanna Roncador**

Meet the expert in immunohistochemistry

Coffee Break (15:15-15:45)

15:45 Interactive Session "Meet the Experts" (75 minutes each session)
Moderator/Expert: **Indrė Dalgėdienė**

Meet the expert in flow cytometry

End of the Workshop (17:00)
